SCNBA Information Surveys – WE NEED YOUR INPUT!

The SCNBA will be distributing two different surveys and we would like your insight and opinion! The first survey is regarding Las Vegas. Many bowlers have come to us inquiring about bowling an NBA tournament in Vegas. We are more than happy to accommodate, but need to know that enough people are interested first. If there is enough interest, we were thinking of possibly conspiring with our northern California counterparts (Northern California Nisei Bowling Federation) for an even larger event! The second survey is regarding our upcoming elections on April 20. We would like to see larger attendance of our meetings, especially the annual meeting. We would like to possibly have a luncheon meeting and need your input on location, price and if you'd be interested in attending. Minimally your league secretary or league representative should attend each meeting so that you are in direct communication with us, although we would love for everyone to attend! Please download the surveys from our website at www.SCNBA.com and turn them in to your league secretary or email them to us at SCNBA300@yahoo.com. We would like to collect these by the end of February. **Thank you for your input!**
