## New USBC 2006-07 Season has begun

As of August 1<sup>st</sup>, the new USBC winter season has started. This means new leagues have started and everyone is renewing their membership cards, both USBC and NBA. Along with your USBC membership comes benefits such as honor awards for 298, 299 & 300 Games, 800 Series, 900\* Series and 11 Strikes-in-a-row. **Good luck!** (WIBC, ABC and YABA merged into one organization, the United States Bowling Congress USBC in 2005).

## Are Your League Officers Doing Their Job?

Every USBC certified league has officers in charge of the league. All league officers must be members in good standing with USBC and must perform the following duties: Preside at all league meetings; Enforce all rules and regulations of the league; Arrange banking of the prize fund in the name of the league with the signatures of at least two officers required for withdrawals; and must have the prize list available by the 5<sup>th</sup> week of league; and personally verify the league's bank balance monthly. Your Officers are also there to assist with any equipment or scoring problems and to alert the management on your behalf. So, hopefully your officers are taking care of the league's best interest and keeping everyone HAPPY! **Happy bowlers shoot high scores!**
